

Quick Launch

Group English Classes

[Quick Launch online English classes](#) are perfect for ASU international students who want to up-skill English fluency and who desire short-term study, flexibility, and confidence- building using English. Courses are available at all levels and to help you meet your learning goals.

- Quick Launch is delivered in a cohort-based group learning model in which learners participate in a **mix of live active learning and self-paced independent study** with Global Launch’s award-winning language learning content.
- A new Quick Launch class begins every 8 weeks for basic, intermediate and advanced-level English speakers. Each class includes 3 hours per week of live-streamed classes with teachers and classmates, and approximately 5 hours per week in online learning modules.
- Participants will choose their level, start and finish the class at the same time and **advance through the course curriculum together** to meet weekly deadlines. At the end of the course, participants will earn a certificate of completion from Arizona State University.
- All live courses focus on oral fluency and emphasize in-class speaking practice.
