Other suggestions for each other?

Immigration Question

We recommend you review the [ISSC Travel Advisory website](#) for more information.

At your Port of Entry, U.S. Customs and Border Protection will check your documents.

This is where you will present your passport, visa and I-20 to the Customs and Border Protection officer.

While an officer inspects your immigration documents, you may be asked some general questions. **Remain calm as questions are a normal, routine procedure.** Always answer questions clearly, honestly and politely.

- You are allowed to ask the officer what the issue is, but **we recommend you do so respectfully.**

- There is **no cause for alarm if you are asked to step into a side room for a secondary inspection.** They may need to ask you some questions or verify some information.
- If there is a problem, we suggest that they contact the International Students and Scholars Center emergency cell line at **+1 480-647-4874.**

Be prepared for the following at the Port of Entry:

- Demonstrate your ties to your home country by sharing your plans to return home after you complete your degree.
- **You may be asked to:**
 - The purpose of your visit to the US
 - How long you plan to visit
 - Where you will be staying
 - If you have the means to support yourself financially in the US
 - If the documents you are presenting are compatible with the purpose and intent of your visit
- You may be asked to share all of your social media platforms you have used within the last five years.
 - You will be required to provide the following: Username, screen name, handle or other identifier for each platform you use or have used.
 - **Note: You will not be required to provide any of your passwords.**

SEVIS Check-In

- Must be completed by the **Program Start Date** listed on your I-20.
- **You may not complete this until you have arrived to the U.S.**
 - If you are not traveling directly to Arizona, you can do so once you get to Arizona as long as it's completed by the Program Start Date listed on your I-20.
- This process is done via an eForm.
 - The link to access the eForm can be found on your MyASU Priority Task List.
 -

For more information, please review our webpage: <https://issc.asu.edu/f-1j-1-students/sevis-check-in>

Issues with I-94

Many students experience issues with their I-94.

If you cannot access your I-94 or your I-94 is inaccurate, please work with Deferred Inspection Office to correct it.

You can review the “**Correcting Issues with your I-94**” section of our SEVIS Check-in webpage:

<https://issc.asu.edu/f-1j-1-students/sevis-check-in>

On Campus Employment

You cannot begin working on-campus until you arrived to the U.S., enrolled full-time in classes, and completed SEVIS Check-in.

You can work on-campus with ASU

- This includes Aramark and/or the Follett Bookstore.

If you receive a job offer, you may apply for an SSN.

You are **limited to work up to 20 hours per week** during a semester.

On campus Jobs

Getting a on campus job

You can look for jobs on campus here:

<https://issc.asu.edu/f-1j-1-students/employment/on-campus>.

Before applying to a job
please visit our Career
Services:

<https://career.asu.edu/>

Please know it **takes time to get an on-campus job**, especially as a first year student.

GPPA Program

Please strongly consider our GPPA program at the ISSC first!

We will work on your cover letters, resume, interview skills, and much much more.

<https://issc.asu.edu/f-1j-1-students/programs>

Social Security Number (SSN)

In the U.S. a Social Security number (SSN) is issued to track pay over a worker's lifetime.

A SSN is not an off-campus employment authorization

A SSN is not:

- An off-campus employment authorization
- Required to open a bank account
- Required to rent an apartment
- Required to start a mobile phone contract
- Required to apply for a credit card

Students can apply for SSN only when they have a job offer.

Late Arrivals

ASU does not provide late arrival letters for students.

- Late arrival is when students are expected to arrive by the Program Start Date listed on their I-20.
- Arriving late will cause you to miss International Orientation and the beginning of the semester, which may not set you up for success as you begin your degree at ASU.
